A Mathematical Curiosity for 2025

The Sum of the First Nine Cubes

$$1^3 + 2^3 + 3^3 + 4^3 + 5^3 + 6^3 + 7^3 + 8^3 + 9^3$$

$$= 1 + 8 + 27 + 64 + 125 + 216 + 343 + 512 + 729$$

$$= \mathbf{2025}$$

A mathematical coincidence for the year 2025
